*Why*  
**WHY IS IT IMPORTANT TO SUPPORT MUNICIPAL EDUCATION AND TRAINING ?**

The only event of its kind in North Carolina, the NCLM Annual Conference brings together mayors, council members and managers from across the state.

THE CONFERENCE IS A ONCE-A-YEAR OPPORTUNITY to learn about the issues and challenges facing municipal officials.

THE CONFERENCE IS YOUR CHANCE to network with key municipal officials and promote your products to hundreds of municipal officials at one time.

SUPPORT THE LEAGUE and the NCLM Local Leadership Foundation and invest in a better tomorrow for our cities and towns.

EDUCATING OUR MUNICIPAL OFFICIALS makes a positive impact on our state today and tomorrow.
